Newburyport's 19th Annual
WET PAINT AUCTION
SATURDAY, OCTOBER 17, 2009

We are thrilled to announce that we have tweaked our annual auction this year in order to showcase the kind of works you have always loved best – those still glistening with wet paint and offering fresh takes on familiar scenes in and around Newburyport.

Please mark your calendars for “Paint the Town,” our new, wet-paint-only auction featuring dozens of paintings created that day by artists working in various locations all over town. As the day approaches, we will let you know exactly where they will set up their easels, so feel free to go and watch them work. At 7 that night, join us at Nicholson Hall for hors d'oeuvres and enjoy the chance to bid on your favorite piece!

This event is a major fundraiser for Friends For Peace, a community-based organization which promotes a sense of welcome and eliminates prejudice, discrimination and acts of hate. Event sales are shared by the organization and participating artists.
